

## CROSSGATES PIDGEON TEST

Thank you for your enquiry. To help you get the best result from our testing machine we need you to follow the instructions given below.

1. Please fill in the relevant information over the page
2. Using the gloves and plastic bag provided take a sample from approx.10 to 20% of birds housed. Please take samples from birds in different areas within your shed. It is not too important where the feather is taken from but they must be fresh feathers not fallen and from live birds. Feathers may be cut.
3. Seal the bag.
4. Please fill in the relevant information overleaf
5. Send the samples and written information back to us in the envelope provided.

We would hope that the whole process, from your enquiry to receiving the remedy, should not take longer than a week.

Thank you
